

## Press release: "ARTISTS' RECIPES"

"ARTISTS' RECIPES", the artists' cookbook with recipes and illustrations by 81 international artists, follows up an outstanding launch with a second edition. The book contains contributions from such artists as **Marina Abramovic, Erwin Wurm, Ólafur Elíasson und Anish Kapoor**.

Basel, 2020 - After artist duo Admir Jahic & Comenius Roethlisberger launched the artists' cookbook "ARTISTS' RECIPES" during Art Basel in Switzerland, the second edition of the publication is now available. **This new edition will have a sleeve and bookmarks with quotes from Maurizio Cattelan, Ólafur Elíasson and Judith Bernstein.**

Along with regular bookshops, "ARTISTS' RECIPES" is also available in museums such as the Fondation Beyeler Basel, **TATE Modern London**, Hammer Museum LA, **The Metropolitan Museum of Art** in New York.

This unique art book has enjoyed significant success in recent months. Christie's included it in their list of the **"BEST OF ARTBOOKS OF"**, and it was reviewed in numerous international outlets such as **ARTnews.com** and the "Kulturplatz" programme of Swiss national television broadcaster SRF1.

The artists' originals which served as the basis for the book were sold in a charity auction on 20 November 2015 in Basel's von Barth gallery. **The proceeds of over 42,000.- Swiss francs were donated to the organisation "Viva con Agua Schweiz"**. The money was used for a water project in Nepal carried out in cooperation with the Swiss aid organisation Helvetas. The original works will be on display in Volkshaus Basel during Art Basel 2016.

### **Ólafur Elíasson on "ARTISTS' RECIPES":**

*"Cooking, like art, is both reactive and creative - it is about being in flux, navigating and trusting our senses and then connecting and transforming."*

**BOLO Publishing was established as a small, independent publishing house in 2013.** We are delighted to have this wonderful publication in our list. We would also like to congratulate the artist duo Jahic/Roethlisberger on their receipt of the culture award issued by the town of Riehen/Basel, with a grant of 15,000 Swiss francs, awarded for their creative endeavours.
